

INTRODUCTION

Hello! I'm Mohan Birajdar, a dedicated and enthusiastic student currently pursuing a Bachelor's degree in Electronics and Computer Engineering at MIT Aurangabad. With a strong foundation laid during my 12th grade education, I have embarked on this exciting journey to further expand my knowledge and skills in the aim of technology. My passion for electronics and computers drives my commitment to excel in this field. I am eager to contribute my energy and learning to meaningful project and opportunities.
